B. Details of family members (B. Angaben zu Familienangehörigen)

The following information is generally only required for family members who are to be covered with us under family insurance. However, we do still need certain information about your spouse/life partner even if the family insurance is only intended to cover your children if your spouse/life partner is related to these children. In this case, in addition to the general information, we also need information on your spouse/life partner's insurance and – if they are not covered by statutory insurance – the details of their income; supporting documentation must be provided as proof of this income; allowances that are paid in relation to the family status are not taken into account in the income. (Nachfolgende Daten sind grundsätzlich nur für solche Angehörigen erforderlich, die bei uns familienversichert werden sollen. Abweichend hiervon benötigen wir einzelne Angaben zu Ihrem Ehe-/Lebenspartner auch dann, wenn bei uns ausschließlich die Familienversicherung für Ihre Kinder durchgeführt werden soll und Ihr Ehe-/Lebenspartner mit diesen Kindern verwandt ist. In diesem Fall sind neben den allgemeinen Angaben die Informationen zur Versicherung des Ehe-/Lebenspartners und – sofern dieser nicht gesetzlich versichert ist – zusätzlich Angaben zu seinem Einkommen erforderlich; hierbei sind die Einnahmen zwingend durch Einkommensnachweise zu belegen; Zuschläge, die mit Rücksicht auf den Familienstand gezahlt werden, bleiben bei den Angaben zu den Einkünften unberücksichtigt.)

Please note that it is illegal to have family insurance cover with more than one health insurance provider simultaneously. When completing this form, please therefore make sure that you are not taking out duplicate family cover. (Bitte beachten Sie, dass eine gleichzeitige Durchführung der Familienversicherung bei unterschiedlichen Krankenkassen rechtlich unzulässig ist. Stellen Sie deshalb bitte mit Ihren Angaben sicher, dass eine doppelte Familienversicherung ausgeschlossen ist.)
